

# 7<sup>th</sup> Annual Telehealth Summit of SC

*The Many Faces and Voices of Telehealth*

## FREE PRECONFERENCE WORKSHOPS

**April 2, 2019**

1:00PM-4:00PM

### **Concurrent Session A: Telehealth Reimbursement Bootcamp**

**Location: Lexington A**

*Which telehealth services are currently eligible for reimbursement? This session will discuss federal, state, and private payor changes in coverage.*

### **Concurrent Session B: Telehealth Presenter Certification**

**Location: Lexington B**

*Participants will gain knowledge and skills of how to “present” the patient during a telehealth examination. This training will highlight the following:*

- *Define the presenting/patient site and provider site*
- *Define the roles and responsibilities of the telehealth team at the presenting/patient site*
- *Define appropriate video etiquette for the telehealth presenter*
- *Describe steps for a live telehealth encounter*

*Certification provided by South Carolina Area Health Education Center.*

### **Concurrent Session C: Telehealth Technology Training**

**Location: Congaree A**

*This session will provide a one-hour hands-on training on different types of telehealth equipment. Three sessions available: 1:00-2:00, 2:00-3:00, 3:00-4:00. Seats are limited.*
