

# Wednesday webinar

PRESENTED BY PALMETTO CARE CONNECTIONS

Anup Bhushan, MD  
Medical Director  
Palliative Telehealth Program  
Medical University of South Carolina

## Benefits of Telehealth in Palliative Care

Wednesday, July 28, 2021  
11:00am - 12:00pm EST

Scott Hurley, MS, FNP-C  
Palliative Telehealth Program  
Medical University of South Carolina

This webinar will provide an overview of the Palliative Care program at the Medical University of South Carolina and the benefits of using telehealth. The presenters will describe the inpatient telehealth visits, program successes/challenges with telehealth, and the outlook of the program.
